Kalam 370 & Reality

Context :-

In spite of India being an indigenous team Kashmir was being treated differently in India than in India. Therefore the unity of India was being hampered. Also various arguments were being made about Kashmir for this the Government of India has removed Article 370 for Kashmir And Kashmir is an integral part of India like any other King it underlined. The purpose of this program was to explain the advantages and disadvantages of this process to the students.

Objective :-

Explain the importance of Indian constitution

Explain the federal system

Explain the provisions of the state of Kashmir before section 370 and after the deletion of section 370

Explain the consequences of deleting section 370

Benefits :-

Various articles of the Indian constitution came to light

The students understood the basic problem of the state of Kashmir

He came to know about section 370
